### Course Description

Advanced Ceramics meets section F VAPA requirement (10 credits).

There are four major objectives for students taking this course:

1. To advance individual skills in hand techniques.
2. To investigate the glaze area more completely and learn to execute glaze recipes.
3. To establish detailed knowledge of firing processes.
4. To increase an awareness of a ceramic form and related decoration as integral components of a completed work of art.

### Course Materials

- Apron or shirt (kept in classroom)
- Ball point pen or pencil (black or blue)
- Plastic bags

### Course Requirements

- Ceramics Portfolio
- Monthly Writing Journals (assigned on the first school day of each month)
- Attendance/Citizenship

### Grading Policy

#### Evaluation/Assessment Procedures

Artwork will be evaluated based upon: effort, following directions, neatness, originality, and development of media skills, *not talent*. In addition, students will have opportunities to participate in the self-evaluation of their work, group critiques and individual student/ teacher critiques. Total points at the end of the semester will be combined with a midterm exam, a comprehensive final exam, their final portfolio and the student's citizenship and attendance to arrive at a final grade. Student grades can be accessed via ABI Parent Portal.

#### Homework/Make-Up Policy

There will be no clay homework assignments in this course. Clay projects that are not finished can not be taken home. Students who have missed course work will be provided an opportunity to make-up missed work in a timely manner during lunch. Ask the instructor before or after class for any missing work. Please refer to the student handbook for more information.

### Expectations

#### Attendance/Participation

Regular attendance and participation is very important to any successful pursuit. Students who arrive to class, without a pass, after more than a third of the class period(20minutes) has elapsed will be considered truant. Please refer to the truancy policy in the student handbook.

#### Student Expectations/Behavior Guidelines:

Students will be expected to observe all school rules. Students will be expected to be in class on time and prepared to work. Students will be expected to observe and respect the rights and creative expressions of others. All students will be expected to clean up on time and to properly and safely, care for all tools and materials at all times. Students can be held responsible for all lost, broken or damaged supplies or equipment. All students will be expected to participate in class discussions and cooperative projects. All students enrolled in Ceramics will be expected to put forth their best effort.
